

# A bright agricultural business opportunity.

New Holland SA (NHSA) requires dealers to market the New Holland agricultural products in South Africa.

Interested parties who believe that they have identified areas where such a dealership would prosper, should submit a detailed business plan in writing.

NHSA requires the dealer to set up the necessary infrastructure needed to support the product.

Terms and conditions apply.

No telephone enquiries will be entertained and all correspondence should be addressed to:-

Dealer Development Manager  
PO Box 851, Isando
